Material SAP Code Directory

Quick-reference list of spares, consumables and fasteners with their SAP item codes.

499 unique items | **19** sections

How to search

- Press **Ctrl + F** (phone: tap the search icon) and type a part name *or* a SAP code.
- **Part A** lists every item A–Z. **Part B** lists items section by section (machine / category).
- Use the **bookmarks panel** or the contents below to jump straight to a letter or section.
- Codes shaded amber have 10 digits instead of the usual 11 — please verify in SAP.
